

Md. Muntasir Alam Resti

Frontend Developer • React.js • Next.js

muntasiralamresti@gmail.com | +880 1886 920755 | Barishal, Bangladesh

[Portfolio](#) | [GitHub](#) | [LinkedIn](#)

PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience building high-performance, responsive web applications using React.js, Next.js, and JavaScript (ES6+). Skilled in component-based architecture, Redux Toolkit state management, REST API integration, and Tailwind CSS. Committed to writing clean, maintainable code with strong cross-browser compatibility and performance optimization. Experienced collaborating on client-facing projects from design handoff to production deployment. Additional supporting skills in WordPress development and UI design using Figma.

TECHNICAL SKILLS

Frontend	HTML5, CSS3, JavaScript (ES6+)
Frameworks	React.js, Next.js
State Mgmt	Redux Toolkit
Styling	Tailwind CSS, Bootstrap
API	REST API Integration, JSON
Tools	Git, GitHub, VS Code
Design	Figma (UI/UX, Wireframing, Prototyping)
CMS	WordPress

PROFESSIONAL EXPERIENCE

Ismat Parvin — Portfolio Website [\[Live\]](#) 2026

Frontend Developer • Freelance / Self-Employed

- Engineered a production-ready personal portfolio website using Next.js, React.js, and Tailwind CSS, delivering a modern, fully responsive UI across all device breakpoints through close collaboration with the client on design requirements and content structure.
- Developed reusable, modular React components including dynamic project showcases and contact sections, reducing redundant markup and improving long-term maintainability of the codebase.
- Integrated a MongoDB database to handle dynamic content storage and retrieval via REST API endpoints, enabling the client to reflect updated project data without requiring code changes.
- Implemented SEO optimization using Next.js built-in metadata configuration and semantic HTML structure, improving page discoverability and search engine indexability.
- Deployed the application to Vercel with continuous deployment configured from the GitHub repository, ensuring zero-downtime updates and a stable production environment.

PROJECTS

Shopora E-Commerce Platform [\[Live\]](#) [\[GitHub\]](#) 2026

Frontend Developer

- Architected a fully responsive e-commerce web application using React.js, Tailwind CSS, and component-based design principles, enabling seamless product browsing across mobile, tablet, and desktop.
- Integrated REST APIs for dynamic product data rendering, shopping cart management, and real-time state synchronization using Redux Toolkit — reducing prop-drilling and centralizing application state.
- Engineered reusable UI components (product cards, filters, cart drawer) improving code maintainability and accelerating future feature development.
- Applied performance optimization techniques including lazy loading and code splitting to improve page load speed and overall user experience.

Frontend Developer

- Developed a modern, production-ready frontend web interface using React.js, Next.js, and Tailwind CSS, leveraging Next.js server-side rendering for improved initial page load performance.
- Built a library of reusable, composable components following clean architecture principles, reducing code duplication and improving scalability.
- Ensured full cross-browser compatibility and smooth responsive transitions across all viewport breakpoints through systematic browser testing.
- Optimized UI rendering performance through efficient component structuring and minimizing unnecessary rerenders.

EDUCATION

Gazipur Engineering Institute

2021 – 2025

Diploma in Computer Science

- Coursework in programming fundamentals, data structures, algorithms, database management, and software development methodologies.
- Developed and deployed multiple responsive web applications as capstone projects, applying engineering principles to real-world problem-solving.

CERTIFICATIONS

UI Design using Figma — UY LAB

2025

Mastered UI design principles, component creation, auto-layout, wireframing, and high-fidelity prototyping for developer handoff.

Digital Marketing Level 1–2 — ABCL IT

2024

Foundational knowledge of digital marketing strategy and online visibility — supporting understanding of user acquisition and web performance goals.

LANGUAGES

Bengali Native / Full professional proficiency

English Professional proficiency — business communication & technical documentation

Hindi Intermediate — conversational

VOLUNTEER & LEADERSHIP EXPERIENCE

Vice President

Jan 2019 – Jan 2020

Govt. Goila Model Secondary School

- Led cross-functional student committees to plan and execute large-scale cultural programs and competitions under strict deadlines.
- Collaborated with school administration to advocate for student needs, improving engagement and campus culture.
